Derived from: Potassium Nitrate, Monopotassium Phosphate, Monoammonium Phosphate, Urea Phosphate, Ammonium Sulphate, Phosphoric acid, Iron EDTA chelate, Zinc EDTA chelate, Manganese EDTA chelate, Magnesium EDTA chelate.

For agricultural and commercial use only.

DIRECTIONS OF USE

Fusamel™ Paste can be applied to all crops including Glasshouse Crops, Vegetables, Vines, Tree Fruit & Nuts, ornamentals, turf, field and row crops.

Half fill the sprayer with water, add Fusamel Paste, stir, add other products and remainder of the water.

The optimum rate and timing will depend on the crop and local conditions.

Consult a local crop advisor.

Repeat as necessary.

DANGER

Causes severe skin burns and eye damage.

PRECAUTIONARY STATEMENTS

Do not breathe dust/fume/gas/mist/vapors/spray.
Wash Hands thoroughly after handling.
Wear protective gloves/protective clothing/eye protection/face protection/hearing protection.

FIRST AID

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
Immediately call a POISON CENTER/doctor.

DIRECTIONS OF USE

Fusamel™ Paste can be applied to all crops including Glasshouse Crops, Vegetables, Vines, Tree Fruit & Nuts, ornamentals, turf, field and row crops.

Half fill the sprayer with water, add Fusamel Paste, stir, add other products and remainder of the water.

The optimum rate and timing will depend on the crop and local conditions. Consult a local crop advisor if unsure of rates.

Repeat as necessary.

COMPATIBILITY

It is recommended to perform a compatibility test with other products before mixing and to perform small scale crop trials before using the product.

STORAGE

Keep in the original pack. Ensure packaging is sealed and kept in dry conditions. Do not expose to direct sunlight. Storage temperature must be between 41° and 104°F (5° and 40°C).

DISPOSAL

Dispose of product and packaging in accordance with local law.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

LIABILITY

The company limits its liability strictly to composition, formulation and content. Always read the label before use and use proper protection when handling the product. In case of mixing, contact the company's technical service. The user will be responsible for any damage caused (lack of effectiveness, toxicity in general, residues) by total or partial non-observance of the instructions on the label.

Information about the components of this lot of fertilizer may be obtained by writing to Agri Sciences Biologicals at Clematislaan 51, 2241 JB, Wassenaar Netherlands and giving the lot number which is found on the bottom of the container label.
